**Subject:** Preliminary List of Section 3 Inconsistencies

Kristine - Please find attached a preliminary list of Section 3 inconsistencies. Submittal of this list is consistent with the action items from the August 13 conference call with EPA on Section 3. An action item list noting this LWG action item was sent to you earlier today. Please note that this list is based on the LWG's preliminary review of Section 3, which is still ongoing, and additional inconsistencies may be discovered with the LWG's full review.

Please let me know if there are any questions. Thanks.

Carl
